

# Personalized protection that's right for you.

Professional Underwriters Liability Insurance Company specializes in high-quality professional liability protection for health care professionals who have difficulty finding coverage within the standard markets, who have been denied coverage, or whose policies have been nonrenewed or canceled. We find coverage solutions for histories that may include claims, substance abuse, licensing actions, board sanctions, and a variety of other underwriting issues.

Professional Underwriters is a wholly owned subsidiary of The Doctors Company. Since our creation in 1989, Professional Underwriters has received solid insurance industry ratings. Our current ratings, A- (Excellent) by A.M. Best Company and A- (Strong) by Fitch Ratings, recognize our solid financial strength.

## Personalized protection

We understand the specialized needs of health professionals. Whatever your individual requirements and circumstances, Professional Underwriters can provide the personalized protection that is right for you. The physicians and other health care professionals we insure can count on our broad coverage benefits, our exceptional customer service, and our continued financial strength and stability.

## Flexible approach

We pioneered a flexible approach to solving insurance problems. We evaluate each applicant individually to determine the most appropriate coverage. Doctors and medical professionals insured by us know they have the best protection available and that it is backed by an experienced, financially strong, and stable company.

### Coverage Benefits

**Liability limits**—we offer nonassessable, claims-made and reported policies with limits up to \$2 million per claim and \$4 million annual aggregate.

**Consent to settle**—no claim is settled without the consent of the insured.

**Tail coverage**—we offer generous extended reporting coverage options.

**Legal expenses**—our policies offer more protection by paying legal expenses in addition to the limits of liability.

**Broad availability**—we can secure coverage in most states.
